DETAILED ACTION

This application, 10/010,239, has been examined. Claims 1-8 are pending.

Drawings

1. The drawings are objected to because in Figures 1-4, the character of the lines, numbers and letters are unsatisfactory; additionally in Figure 4, the lettering is difficult to read. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, ~~and where necessary, the remaining figures must be renumbered and appropriate~~ changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Allowable Subject Matter

2. Claims 1-8 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter: The prior art does not teach or suggest a method for modeling power of a pipelined processor that involves determining categories of power dissipation for each design block of the processor.

Conclusion

4. This application is in condition for allowance except for the following formal matters: The drawing objections mentioned, supra.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
